West Valley Human Services Alliance

Networking

- Connect with your peers
- Meet the service providers of the West Valley
- Find resources for those you serve
- Build strong partnerships and friendships

All meetings are open to the public. We encourage you to attend and get involved with building on the strengths of the West Valley.

Serving

- Learn about service best practices
- Reduce duplication of efforts
- Augment existing programs with fresh ideas
- Find a place to volunteer or work

Providing the best possible service to the individuals and families in your care often depends upon your own social capital and your willingness to partner.

Capacity Building

- Expert panel discussions
- Collaborate on funding opportunities
- Meet monthly to Network and Learn
- Convene Annual Summit in the West Valley

Calling the broad community to specific issues facing the impoverished and vulnerable in our community builds capacity to serve.

Who we are

Since its start in 2005, the West Valley Human Services Alliance has been the central forum for human services planning in the West Valley.

Members include an impressive array of private businesses, faith-based organizations, nonprofit agencies, municipal staff, elected officials, grass roots people, government agencies, schools and law enforcement personnel.

How we do it

Our strengths include a broad membership, rich networking opportunities and a holistic view of the community.

Diverse perspectives nurture practical plans that will improve the quality of life for everyone in the West Valley.

What we do

The future direction of the Alliance includes creating a unified mission, building on the strengths already present in the West Valley and developing constructive strategies for resolving challenges collectively.

- Hunger Relief
- Homelessness
- Transportation
- Caregiving
- Family Success
- Advocacy

- Asset-based community development works to identify, align and leverage available resources
- Convening like-minded people produces highly collaborative solutions and new partnerships
- Effective storytelling attracts new people and organizations to community problem solving
