

# choices pregnancy centers

Choices Pregnancy Centers are licensed medical facilities that have been serving women and families in the greater Phoenix metro area since 1983.

We are staffed by medical professionals who believe you should have accurate, reliable information about your pregnancy and sexual health.

Our centers provide free, safe and confidential consultations with caring client advocates and nurses who are here to address your questions and concerns.

# YOU HAVE CHOICES

When you need a safe, caring place to consider your options, we're here for you.

## Options Presented:

- Parenting
- Adoption
- Abortion

# LifePath Program

LifePath programs includes:

Our [medical classes](#) are free and open to men and women.

Some of the topics include:

Prenatal Development

Labor & Delivery

Early Infant Care

Breastfeeding

# Parenting Programs

Mom & Dad attend weekly classes from 1st trimester of pregnancy and go through until the baby is 2 years old. These classes are free and can earn baby bucks each week.

# RECOVERY PROGRAMS

PACE groups are supportive, safe communities that focus on healing and restoration in a confidential and caring environment.

These groups are for men and women who are experiencing negative emotional consequences that are common following an abortion.
