

Help Save Lives

Bottled Water Drives

Every 3rd Saturday of the month

May 16th | June 20th | July 18th | August 15th

15th Avenue and W. Harrison Street Entrance

Please join us and our Campus partners as we collect cases of water to keep our clients hydrated through the pandemic and summer heat. We will accept cases or pallets of bottle sizes 8 to 34 ounces. Flavored waters or sports drinks also accepted. You can also donate online towards our Thirst Aid campaign. Visit our site:

www.donorbox.org/hsc

Select ThirstAID from the dropdown menu

With our donation drop-off it couldn't be easier. You pull up & our staff will remove the donations from your trunk or the back of your vehicle. Call Ivan Orozco at **602-282-0849 or email **Volunteer@hsc-az.org** for more information.**

**A donation of \$280
purchases a pallet of water.**
